Do You Really Know How Deep the Water is?

12 inches of fast-moving water can carry away a small car.

6 inches of fast-moving water can knock over and carry away an adult.

18-24 inches of fast-moving water can carry away most large SUVs, vans and trucks.

WHEN FLOODED TURN AROUND DON'T DROWN

NORA

Do You Really Know How Deep the Water is?

Do NOT drive through running washes or other bodies of running water:

6 inches of fast-moving water can knock over and carry away an adult.

12 inches of fast-moving water can carry away a small car.

18-24 inches of fast-moving water can carry away most large SUVs, vans and trucks.

TURN AROUND, DON'T DROWN
