At Tohono O'odham Nation Health Care (TONHC) your safety is the focus of our efforts at this time. TONHC is currently performing first check of all individuals entering the compounds for Sells Hospital, San Xavier Health Center, and San Simon Health Center. Staff will direct you to the appropriate areas.

The goal is to reduce community spread of COVID-19. All employees will be masked during your visit. As the situation evolves, we will notify the community if this process changes. Your health is of utmost importance and we appreciate your cooperation.

First Check

- You will be greeted and asked several screening questions. If you have any respiratory symptoms, you will be directed to the second check. If you have no symptoms, you can proceed to your appointment.

Second Check (Sick)

- If you have any respiratory symptoms, you will be checked by a doctor to determine the type of care that is needed.

Well Visit (Not Sick)

- If you are well and have no respiratory symptoms, you may proceed to your scheduled appointment, or check in for lab or radiology.

Pharmacy Pick-Up

- To pick up a prescription refill, provide name and date of birth and your medication will be delivered to you outside.
