Re: Temporary Closure of Hikiwan District Office

Beginning July 03, 2020 the Hikiwan District Offices will be partially closed to the public until further notice due to the recent developments and increased positive cases with COVID-19 (Coronavirus). This decision was made to protect our employees as well as our district members. The Hikiwan District will continue to have essential staff on site to process paperwork on Tuesdays and Thursdays from 8:00 AM to 3:00PM. Maintenance crews will be available for emergency work orders, work orders will be determined on a case by case situation.

For any assistance requests please contact your perspective Community Representatives.

In case of an emergency please feel free to contact:
