1. Call 520-383-7209 or 520-383-7519 on Monday, July 6th or Tuesday, July 7th between the hours of 8AM and 4PM to schedule a testing spot on Wednesday, July 8, 2020.

3. Plan to stay in your vehicle while you wait to be tested.
4. Bring drinking water.
5. Follow directions from traffic controllers and staff.

7. If you feel sick (ex: fever, breathing difficulty, heavy cough, vomiting, or diarrhea), make an appointment at one of the clinics to get seen by a provider

What to Expect:

- Staff will ask if you have symptoms, your name, birthdate, "MRN" (medial record number) and phone number.
- You will get a nose swab for testing.
- A TONHC nurse will call you with results in 4-6 days.
- If you test positive, we will ask to test your close contacts.

**Remember, getting tested today only gives you today's result.
A negative result does not protect you or your family tomorrow. Stay in quarantine if directed.
Always wear a mask in public. Stay 6 feet away from others.
Avoid all gatherings, even with close relatives who do not live with you.**
