

Sand em' & Stack em' DRIVE-THRU

6:30 am - 11:00 am

Friday, July 24, 2020
Solid Waste Management - Sells, AZ

Sand em' & Stack em' DRIVE-THRU

The TON - Department of Public Safety in partnership with the TON Solid Waste Management program will be hosting a Drive-Thru-Fill-Your-Own Sandbag Operation on Friday, July 24, 2020 from 6:30 a.m. to 11:30 a.m. at the Solid Waste Management yard.

As weather patterns shift to bring increased monsoonal activity into southern Arizona, our goal is to provide free sandbags for members who may need to protect areas of their homes from storm runoff. In order to ensure we can accommodate as many members as possible there is a limit of 25 sandbags per vehicle.

A small amount of pre-filled sandbags will be available to accommodate elders and individuals that may be unable to physically fill their own sandbag. Additionally, the Tohono O'odham Unified Command has provided all 11 Districts with, 1200 unfilled sandbags to have readily available for District use.

We will work on planning efforts for additional distribution dates and schedule based on available resources, equipment, and weather projections.

****If weather conditions prohibit safe operation and management at the Solid Waste yard members will still be provided with 25 unfilled sandbags****

Social distancing and face masks will be enforced.

Solid Waste MP - Sells
