COVID-19 Drive-Thru Testing
Thursday August 13, 2020
Santa Rosa Health Center

The Tohono O'odham Nation is offering community testing for COVID-19 to better determine how many people have been infected and do not have symptoms.

Please get Drive-Thru tested for COVID-19 if:
- You have attended any group gatherings in the last 14 days, or
- You have had direct contact with a person with known or suspected COVID-19, and
- You do NOT have symptoms at this time

Date: Thursday, August 13, 2020
Time: Testing by Appointment: 8 am-11am. You will have a shorter wait if you make an appointment.
    Unscheduled Walk-Ins are welcome: 11am-1pm
Location: Santa Rosa Health Center

This Drive-thru can test a maximum of 250 people. Please:
1. Call 520-383-7209 or 520-383-7519. **Schedulers will take calls for appointments starting on Monday August 10, 2020 between 8am-4:30pm**
2. Arrive at the test site to get registered 15 minutes before your appointment.
3. Plan to stay in your vehicle while you wait to be tested.
4. Bring drinking water. Plan to use the restroom before coming.
5. Follow directions from traffic controllers and staff.
6. **Stay in quarantine** until you have your test results.
7. If you feel sick (ex: fever, breathing difficulty, heavy cough, vomiting, or diarrhea), make an appointment at one of the clinics to get seen by a provider.

What to Expect:
- Staff will ask if you have symptoms, your name, birthdate, "MRN" (medical record number) and phone number.
- You will get a nose swab for testing.
- We will call you with results in 4-6 days.
- If you test positive, we will ask to test your close contacts.

Remember, getting tested today only gives you today's result.
A negative result does not protect you or your family tomorrow. Stay in quarantine if directed.
Always wear a mask in public. Stay 6 feet away from others.
Avoid all gatherings, even with close relatives who do not live with you.
